## DID YOU KNOW 42% OF CHILDREN LIVING IN THE VILLAGE OF BUCKEYE LAKE, LIVE IN POVERTY?

Education is, and always will be, important in building a strong foundation in one's life. We want our youth to be educated, informed with current issues, and able to provide knowledge to the next generation. Education is a strong building block in developing a stronger and healthier community.

**Libraries support three core missions: promoting reading, offering access to information and anchoring communities.**

- *44 percent of people in households living below the federal poverty line (\$22,000 a year for a family of four) use public library computers and Internet access.*

## WHY YOUR MEMBERSHIP IS IMPORTANT TO THE COMMUNITY

The Buckeye Lake Library supplies more than just books! Libraries are used to access free Wi-Fi, complete homework, school projects, find work, apply to colleges, register to vote, access tax forms and information, secure government benefits and learn about critical medical treatments. Our Library offers people free access to a wealth of information they often can't find elsewhere. Our Library is a center for community engagement.

## HOW CAN YOU HELP?

The Friends of the BL Library is a 501(c)(3) charitable organization that relies on community support to keep the Buckeye Lake Library open. While the library staff, books, materials and computers are provided by the Licking County Library System, **all operating costs for the Buckeye Lake Library must be paid for separately by memberships to the Friends of the Library, as well as proceeds from fundraisers and donations.**
